

2019 Wildlife Sanctuary Tour Turn-by-Turn Directions

The 2019 Wildlife Sanctuary Tour includes seven stops along an 8-mile route. The easiest way to navigate between the stops is by using the navigation apps on your smart phone (Google maps or Waze are staff favorites) as these apps account for traffic, construction, and other unforeseen drama on the tour day. However, for those who would prefer turn-by-turn directions, we've created this document from Google Maps to help guide you. These directions assume you will start at Zonolite Park and travel south to each of the stops in the order they are listed on the ticket. You are welcome to tour them in any order you choose. This is just a suggested route.

Stop #1: Begin at Zonolite Park

Zonolite Park notes: Parking and the trailhead are located on Zonolite Place, near the intersection of Johnson Road and Briarcliff in Dekalb County. This will serve as the Atlanta Audubon headquarters for the tour. Additional tour tickets, t-shirts, hats, books, shade-grown coffee, and other store items will be available for purchase at this site using cash, check or credit cards. Tickets will be on sale at all tour locations for cash or check, but the Zonolite location is the only place that will accept credit cards.
